

DAY 3 SESSION

HOW TO GET RID OF SPIRIT SPOUSES AND DEMONS

DELIVERANCE SESSION WITH APOSTLE ANTHONY LANGMARTEY

Day 3 Session

HOW TO GET RID OF SPIRIT SPOUSES AND DEMONS

Welcome to Day 3 Session. If you haven't read the Day 2 Session, please, go back and read it before continuing here.

In the Day 2 Session, I talked about:

- ✓ What are Spiritual Marriage Covenants and Soul Ties?
- ✓ How spiritual marriage soul ties and covenants are formed
- ✓ Covenants formed through dreams
- ✓ Signs to know that you have a covenant with a demon
- ✓ How demons enter your dreams
- ✓ How to break Evil altars, Covenants, and Soul ties.

I also gave two spiritual exercises to break the evil covenants and soul ties in your life. This will help you on your journey to deliverance and recovery.

We are building on the Day 2 Session. It's a step-by-step process, you can't omit the second step. There are spiritual exercises in Day 2 Session you have to do before doing the spiritual exercises in this session.

[Click here to read the Day 2 Session if you haven't done so.](#)

In this session, we will talk about:

- The actions to take to get rid of demons from your life.
- You'll have two spiritual exercises to do.
- How to go deeper with me in your deliverance journey.

If you're ready, let's go...

The following are a few things to do to get rid of spirit spouses and demons from your life:

- 1. Always keep confessing your sins and ask for forgiveness whenever you sin. To err is human, to forgive is divine. As humans we will somehow sin intentionally or unintentionally, so you must always confess the sins you commit to ensure that you don't have any unforgiving sins that the demon could use against you.**
- 2. You have to renounce the spirit spouses or the demons that have penetrated into your life and their works.** You need to verbally destroy and renounce and murder everything that they have conceived within you and caused you to give birth to. Whenever you have a wet dream, or you woke up from your sleep and realize that you have passed out semen or sperm in which you dreamt that you were having sexual intercourse with someone. Immediately take a cold bath and pray to abort whatever the spirit has planted in you, be it sexually transmitted diseases (STDs), pregnancy, sperm, sickness, or offspring.
- 3. Desist from dirty and unhealthy activities.** Stop ungodly activities such as watching pornography, listening to sex-filled secular music, watching romantic movies and horror films, reading horoscopes, and anything which could open doors to these demons.
- 4. After having a sex or wet dream, do not repeat what you have dreamed about to anyone unless briefly when in a counseling session.** They want you to speak it out because the power of life is in your tongue. Speaking it out gives birth to it. The words you say after an encounter can either give life to their seed or bring death to their seed, and that is why you need not tell someone about it. Furthermore, don't rehearse the dream in your mind. Cast down the very thought of it from your conscious and subconscious mind.
- 5. Commit yourself to fast in quiet places.** It can be mountains tops, forests, etc. and pray all day, and night during this deliverance session. Remember to eat only non-acidic fruits, of which banana is an example, at sunset.

6. Omit all evil influences from your life. Overcome every negative influence from people, places, things, habits and the media.

7. Note that spirit spouses are lustful demons. Lust is a force that is ever-present on this earth. Everyone is subject to the temptations and pressures of lust because it is the passion of Satan's heart, and he is also the prince of this world. Not everyone will fall victim, but everyone is subject to fall victim!

Even after you are delivered, anytime you are spiritually weak, it is possible — not likely, but possible — for you to have an encounter with a night demon. If this does happen once you are delivered, just remember to implement the steps above and watch your level of consecration always.

You have to be mindful of the media you expose yourself to, the people you surround yourself with, and any subtle forms of witchcraft in your life, like horoscopes or manipulation.

8. Seek the help of a good deliverance minister You can **enroll in my Experience Deliverance Program**, where I will have a one-on-one over-the-phone deliverance prayer with you for complete deliverance from the manipulations and attacks of demons. It's a 4-week deliverance program package. You'll get complete deliverance and recovery and enjoy total freedom for the first time in your life.

Take these spiritual exercises:

Spiritual Exercise #1:

Do a day fasting and pray fervently throughout the day. Start the fasting after your last dinner at 6 pm and end the fasting the following day at 6 pm.

Spiritual Exercise #2:

Pray this prayer several times:

With the power and authority vested in me as a child of the Almighty Yahveh, I renounce any friendship, relationship, affairs, and covenant I have with any demon, evil spirit, and Satan. I command Satan and all demons and evil spirits to release me and to leave my presence to be at liberty with my God. So be it. Amein.

Congratulations.

You're an action-taker. And this tells me you are serious about getting deliverance and freedom.

If you got your deliverance from this mini program with me, I give thanks to our Father Yahveh. But that does not end here. There is more to do so that these spirits do not come back to attack you again. Remember the Bible says, *“When an unclean spirit goes out of a man, he goes through dry places, seeking rest, and finds none. Then he says, ‘I will return to my house from which I came.’ And when he comes, he finds it empty, swept, and put in order. Then he goes and takes with him seven other spirits more wicked than himself, and they enter and dwell there; and the last state of that man is worse than the first (Matthew 12:43-45).*

So, if you got your deliverance through this free program, you should know that the devil can come back. Therefore, you need to find a way to close the doors to these evil spirits, and the process can be done only by me and not yourself. And neither do you possess the power to do that nor possess the knowledge of doing it.

In case you got a minor result but didn't get complete deliverance, it means you possess little or no inner power to fight these evil spirits. Then you'll need someone with a higher power to deal drastically with these demons and drive them out of your life for your total freedom.

I am here to help you through my flagship program, “the Experience Deliverance Program.”
